

Healthcare Interpreting Assessment

Languages: English, Spanish

Candidate Name: Marco Antonio Castro Diaz

Date: 5/4/2026

Skill Level: Level 3+ Professional Performance Plus

Conveys generally accurate renditions of the speaker, but not all details and nuances. May have occasional omissions, additions, or embellishments. Expression will generally reflect target language conventions. Demonstrates competence in the skills required for interpretation, including command of both working languages. Good delivery, with pleasant voice quality, and few hesitations, repetitions, or corrections.

Pass		Fail
